yes I received them.. thank you All good with the packing..

Tell doc if he is interested.. Many clients are ordering omeprazole w/ Ranidine in it from Boothwyn.. Can he make a batch with that in it ?

thanks Lisa

Hello

Just confirming you received 200 Folic from 21 and they were packed better than the last lot that was shipped, and you received the Omeprazole and Folic labels from me.

I will get EPM and BPR Blue out to you later this week
